

## **Agreement: Rio Grande Turkey Hunting on The Boomer Ranch**

We pride ourselves in having an excellent herd of Whitetail deer and quality Rio Grande turkey. It is our goal to allow you to have a safe and enjoyable hunt, so enjoyable that you become a repeat customer. In order to do this, we need your understanding and support of the following requirements:

### **Safety:**

Safety is our #1 priority:

- no loaded firearms(chamber or magazine) of any kind to be in the camp house area(until ready to be taken to the blinds or rifle range)
- shells will be placed in the magazine as hunter leaves for blind and in the chamber once the hunter is in the blind
- safety will always be ON unless a gun is in a shooting position
- rifle to be unloaded as you leave blind
- snakes are uncommon but if you do see any snake, whether it is or not, consider it venomous and do what you can to avoid it while alerting your Guide
- if the Guide feels that any hunter or his guest is impaired as they go to hunt, he will not take him/them hunting until such time that his/their condition(s) improve to be able to hunt safely

### **Other Important Information**

- ...all hunts are Guided by the Boomer Ranch
- ...we hunt WT(Whitetail) Bucks, WT Does and Rio Grande Turkey only
- ...all hunters must have a valid hunting license
- ...with advance discussion and approval, a hunter may be allowed to bring a guest(s)
- ...in most cases, a guest is expected to accompany the hunter for all activities
- ...before finalizing a reservation, WT rifle hunters need to inform Guides of what caliber rifle(s) and grain he intends to hunt with. Guide needs to approve in advance(this is for your benefit)
- ...upon arrival, deer rifle hunters are required to sight in at our 100 yard range. Doing this will help prevent a hunter from paying for a buck that cannot be found after drawing blood
- ...sight in for bow hunters will be at 25 yards on a bow cube
- ...no pets allowed on Ranch grounds
- ...no illegal drugs allowed on Ranch grounds
- ...Guide fees are included in the overall fee. Guide gratuities are not included nor required, but certainly appreciated. This is strictly up to the hunter.

...bow and shotgun are the preferred weapons for hunting turkey, though some rifles may be approved

### **Typical hunting packages include the following:**

-up to three days and two nights of accommodations at our hunters' camp house

-up to four hunts, typically the afternoon of day #1, the morning and afternoon hunts of day #2 and the morning of day #3(only if necessary)

**\*\*\*Important! For those hunters shooting a shotgun, please check your choke prior to hunting. What works best at our Ranch is a full choke with #4, #5 or #6 shot. You do not want to shoot a second bird by mistake, only because your choke was too moderate. Shooting a hen by mistake is also illegal.**

**Rio Grande Turkey Agreement Signatures Page**

The BOOMER RANCH requires that each hunter signs two documents:

-acknowledgement of this four page Rio Grande Turkey Agreement which includes Ranch requirements and procedures

-a standard liability waiver

...any approved guest(s) over 18 would also have to sign the liability waiver. Any approved guests of the hunter who are under 18 would require the hunter to sign "assuming responsibility and liability" for them
